KING COUNTY, WASHINGTON**

RESOLUTION NO. 528

A RESOLUTION of the Board of Fire Commissioners of South King Fire & Rescue (King County Fire Protection District #39), King County, Washington, that procurement of Repair and Replacement Services, Parts, and the Replacement of Apparatus Bay Doors is a Sole Source Procurement and waiving competitive bidding.

WHEREAS, South King Fire & Rescue (KCFPD #39), King County, Washington (the "District") have been advised that the Fire Chief/Administrator has been provided with a formal legal opinion by legal counsel that procurement of Repair and Replacement Services, Parts and the Replacement of Apparatus Bay Doors from NW Door is actually and legitimately limited to a single source of supply, because only the specific NW Door brand will satisfy the District's needs; and

WHEREAS, therefore competitive bidding is not required and is impractical;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF FIRE COMMISSIONERS OF SOUTH KING FIRE & RESCUE (KCFPD #39), KING COUNTY, WASHINGTON, as follows:

Section 1.

NW Door is the sole source of the particular Repair and Replacement Services, Parts and the Replacement of Apparatus Bay Doors, specifically needed by the District, in the State of Washington. The District has specified that the NW Doors is required due to the need for compatibility with existing doors in the fire stations owned or operated by the District. Consequently, this company, NW Door, is the sole source provider of the needed Repair, Replacement Services, Parts and the Replacement of Apparatus Bay Doors, and therefore competitive bidding is impractical, is not required by law and is therefore hereby waived.

Section 2.

NW Door can make and deliver replacements for broken door panels and parts within three to four days, in the event of an emergency; without functional bay doors, the fire engines would have to be parked outside for an extended period of time, which presents unacceptable security risks to these expensive apparatus.

Section 3.

The legal opinion on this sole source procurement shall be maintained on file and attached to this Resolution.

ADOPTED at a Regular Meeting of the Board of Commissioners of South King Fire & Rescue this 25th day of April, 2017, with the following Commissioners being present and voting.
