

SOUTH KING FIRE & RESCUE

KING COUNTY, WASHINGTON

RESOLUTION NO. 556

**A RESOLUTION of the Board of Fire Commissioners of
South King Fire & Rescue (aka KCFPD #39), King County, Washington,
Authorizing the implementation of a "Latecomer" Fee Schedule**

WHEREAS, in 2015 South King Fire & Rescue (SKFR) passed a Capital Improvement Bond Issue to seismically upgrade fire stations and make other needed improvements to facilities, equipment, and apparatus. And,

WHEREAS, SKFR's Fire Station 61, located at 3203 South 360th, was required to make certain provisions as part of disconnecting from an old septic system and connecting to the Lakehaven Utility District sewer system as part of the bond funded upgrades. And,

WHEREAS, SKFR was required to provide a tight line and stub up connection for the properties on the west side of 32nd Ave. S. as part of the necessary disconnection from the old septic system and connection to the Lakehaven sewer system, allowing these properties to connect to the aforementioned sewer system. And,

WHEREAS, the properties across the street from Fire Station 61 will be required to reimburse the fire district their proportionate share of the installation costs of the sewer line. And,

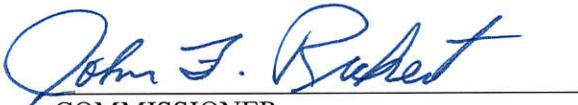

WHEREAS, it has been determined that it is in the best interest of SKFR to implement a sewer connection fee schedule for the properties adjacent to Station 61. The established fees are in keeping with the Lakehaven Utility District most current fee schedule on record.

NOW, THEREFORE, BE IT RESOLVED that the Board of Fire Commissioners hereby authorizes the South King Fire & Rescue Fire Chief, and/or his designee, to enter into an agreement with Lakehaven Utility District to collect future "Latecomer" connection fees to be remitted back to South King Fire & Rescue.

ADOPTED by the Board of Fire Commissioners of South King Fire & Rescue, King County, Washington, at a Special Meeting this 11th day of October, 2018 with the following Commissioners being present and voting.
